3. CHARGES FOR ELECTRICITY SUPPLY

The municipality must, as a licensed distributor, submit distribution forms to NERSA for the evaluation of the tariff increase application. The proposed tariff increase of 6.22% can be implemented whilst NERSA is considering our application. The municipality must implement an electricity Block tariff with effect from 1 July 2021. The High season will be from May till August.

Utilisation of material			
The tariff for material used is cost plus a surcharge of 15%. Provided that in respect of material for which the Municipality has determined a tariff, that tariff shall apply in accordance with Section 14 (urgent cases) Fire Brigade Services (Act 99 of 1977)			
Renting out of equipment outside the jurisdiction area of the Municipality			
The tariffs as set out in this Annexure plus a surcharge of 50%.			
C. ADJUSTMENT IN FEES PAYABLE TO THE SERVICE AS CONTEMPLATED IN CLAUSES A AND B OF THIS ANNEXURE			
The Service must ensure that all fees referred to in clauses A and B of this Annexure are adjusted to keep trend with inflation according to the Consumer Price Index (CPI).			
GENERAL DIRECTIVES FOR THE PAYMENT OF THE ABOVE FEES			
 All certificates of registration, certificates of fitness and/or spraying permits will be valid for twelve (12) calendar months. A written application for the renewal of the certificate or permit must reach the Service at least one calendar month prior to the expiry thereof. 			
2. When application is made for registration, the appropriate application form, correctly completed in full, must be accompanied by the prescribed fees.			
3. All the appropriate application forms are available from the Service and must be completed in full and, where applicable, be duly signed.			
4. If, for whatever reason, the Service rejects an application for any certificate of registration, certificate of fitness or any permit, the applicant must, within 14 days (excluding weekends and public holidays) of the date of rejection, take corrective steps to ensure that the document in question is issued at no additional cost, failing which the applicant must pay the prescribed fees again.			
5. (a) The tariff for premises that are liable to registration in respect of paragraph 1(2) or (3), or a combination of them, will be a single fee of R700,00, irrespective of the combination of items:			
Provided that such combination applies to one premises and is under the same control.			
(b) If there are different divisions and/or affiliates within a business and/or company situated on the same premises but each division and/or affiliate is managed separately, each division and/or affiliate is liable to registration separately.			
i. All monies are payable in advance. ii. All fees are also applicable to Council.			
 All relevant application forms are available at the Emergency Services Department (Fire Brigade Services) and must be completed in full and where applicable, signed properly. 			
7. If certificates and/or spray/transport permits are refused, the applicant must take remedial steps within 14 days in order for the re-inspection to be free of charge and to ensure the issuing of the relevant registration certificate or permit. Failing this, the prescribed tariffs will again be payable in full.			
Restoration of lapsed certificate (each year certificate has not been renewed) R700, 00 (including VAT) plus current year registration fee
