

## COMMENTS AND RESPONSES FOR THE LICENCING OF THE ROOIBERG WASTE DISPOSAL FACILITY

### INITIAL COMMENTS AND RESPONSE

| DATE       | MADE BY          | COMMENT  | RESPONSE   |
|------------|------------------|--|--|
| 2014/01/27 | Philip Nel       | Mr Nel stated that they would like to provide input into the Draft BAR especially with regards to ground water which is of great concern.                  | Aurecon noted the concern and raised it with the geologist undertaking the specialist assessment.  |
| 2014/01/29 | Kampie Steenkamp | Mr Steenkamp commented that the Rooiberg Residence Association has had a long history of problems with the Municipality with regards to the landfill site. | Noted  |
| 2014/02/05 | Sylvia Seeman    | Mrs Seeman requested an explanation on the process and what was required from them.  | An email was sent to Mrs Seeman explaining the Public Participation Process for an Environmental Impact Assessment. As request as also made to Mrs Seeman asking if she would like to be added to the database in order to receive further communication and information on the project. |
