Good afternoon!! Goeiemiddag!! Dumelang!!

**Program Director**, allow me to on behalf of the Council and the entire staff of the Thabazimbi Local Municipality to pass my message of condolences to the bereaved family of our late colleague and friend to many, Butinyana Paul Molesiwa.

Butinyana Paul Molesiwa left us at the crucial time when as the municipality we are battling with service delivery to our community especially in Northam.

We are told that Mr Molesiwa was playing an important role in this municipality. He was a hard worker and dedicated employee of our municipality. He joined the municipality in 2007 as an Artisan Assistance attached to Technical Services-Northam Satellite.

We were still expecting more from him to offer his experience that he gained throughout the years of serving our municipality and community at large.

Our sincere condolences go to his Family, Colleagues and Friends. He will be dearly missed by all of us who had an opportunity to share moments with him.

As we leave here we must at all material times remember the contribution he made towards the development of human kind.

Go well dearest Butinyana Paul Molesiwa, a committed and selfless servant of our people to the end.

**May your soul rest in peace.**
