

**Mayor, Patricia Alettah Mosito's message to learners sitting for final year exams 2011**

Her Worship, Patricia Alettah Mosito, Mayor of Thabazimbi Local Municipality wished all learners success in this year's exams.

The Mayor further called on parents to afford learners time for studies and not to pile them with unnecessary work during this period. Please continue to revise with the same focus and dedication over the next remaining period of your exams.

Make sure that you keep calm and read exam questions carefully. We also plead with our local communities to suppress the noise to give our learners space to revise at home."As in the past, we have no reason to doubt the talents and abilities of our learners to produce good results. This is why we have confidence in every learner and wish them good luck in this year's exams" concluded the Mayor.

Good luck and best wish for the academic year 2011.

May God Bless you.
