3. POLICY PRINCIPLES

3.1. Rates are levied in accordance with the Act as an amount in the rand based on the market value of all rateable property contained in the municipality’s valuation roll and supplementary valuation roll.

3.2. As allowed for in the Act, the municipality has chosen to differentiate between various categories of property and categories of owners of property as contemplated in clause 7 and 8 of this policy. Some categories of property and categories of owners are granted relief from rates as contemplated in clause 11 to 13 of this policy. The municipality

Rates Policy

THABAZIMBI LOCAL MUNICIPALITY

however does not grant relief in respect of payments for rates to any category of owners or properties, or to owners of properties on an individual basis.

3.3. There would be no phasing in of rates based on the new valuation roll, except as prescribed by legislation and in accordance with clause 16 of this policy.

3.4. In accordance with section 3(3) of the Act, the rates policy for the municipality is based on the following principles:

(a) Equity

The municipality will treat all ratepayers with similar properties the same.

(b) Affordability

The ability of a person to pay rates will be taken into account by the municipality. In dealing with the poor/indigent ratepayers the municipality will provide relief measures through exemptions, reductions or rebates.

(c) Sustainability

Rating of property will be implemented in a way that:

- ii) it supports sustainable local government by providing a stable and buoyant revenue source within the discretionary control of the municipality; and
- iii) Supports local social economic development.

(d) Cost efficiency

Rates will be based on the value of all rateable property and will be used to fund community and subsidised services after taking into account surpluses generated on trading (water, electricity) and economic (refuse removal, sewerage removal) services and the amounts required to finance exemptions, rebates, reductions and phasing-in of rates as approved by the municipality from time to time.

3.5. The use of property rates

Rates Policy

THABAZIMBI LOCAL MUNICIPALITY

It must be understood that property rates is a tax and is not in relation to any specific service to be rendered. Municipalities collect the property tax revenue to fund public health, public safety. Other examples of the use of rates are installing and maintaining the streets sidewalks, lighting and storm water drainage and building and operating clinics, parks and recreational activities. It is also used to fund municipal administration, such as computer equipment, stationery, and cost of governance, such as community and council meetings. Property rates are used to fund services that benefit the community as a whole as opposed to individual metered and individual households.

4. SCOPE OF THE POLICY

- 4.1. This policy document guides the annual setting (or revision) of property rates. It does not make specific property rates proposals. Details pertaining to the applications of the various property rates are published in the Provincial Gazette and the municipality's schedule of tariffs, which must be read in conjunction with this policy.

5. APPLICATION OF THE POLICY

- 5.1 Council shall as part of each annual operating budget component, impose a rate in the rand on the market value of all rateable properties as recorded in the Municipality's Valuation Roll and Supplementary Valuation Rolls.
- 5.2 The Municipality shall grant exemptions, rebates and reductions to the categories of properties and categories of owners as allowed for in this policy document.
- 5.3 Rateable property shall include property on which a municipality may in terms of section 2 of the Act levy a rate, excluding property fully excluded from the levying of rates in terms of section 17 of the MPRA

6. DIFFERENTIAL RATES

- 6.1. In terms of section 19 of the MPRA the municipality may levy different rates for different categories of ratable property as determined in subsection (2) and (3) of the Act, which categories **must** be determined according to the-

- (a) use of the property;
- (b) permitted use of the property/approved Zoning; or
- (c) a combination of (a) and (b)**

7. CATEGORIES OF PROPERTY

- 7.1 Different rates may be levied in respect of the following categories of rateable properties as prescribed in **section 8 of the Act**

13. PAYMENT OF RATES

13.1. The rates levied on the properties shall be payable:

- a) on a monthly basis; or

13.2. The municipality shall determine the due dates for payments in monthly instalments.

13.3. Interest on arrears rates shall be calculated in accordance with the provisions of the credit control, debt collection and indigent policy of the municipality.

13.4. If a property owner who is responsible for the payment of property rates in terms of this policy, fails to pay such rates in the prescribed manner, it will be recovered from him/her in accordance with the provisions of the Credit Control, Debt Collection and Indigent policy of the Municipality.

13.5. Arrears rates shall be recovered from tenants, occupiers and agents of the owner, in terms of section 28 and 29 of the Act as follows:

13.5.1. If an amount, due for rates levied on a property, is not paid by the owner by the due date as shown on the account and no reaction is forthcoming from the owner after two written reminders have been issued, the municipality shall recover the amount in full or partially as follows:

13.5.2. From the agent who is lawfully responsible to collect commission or rental in respect of the property concerned;

13.5.2.1. From a tenant or occupier of the property, only after an attempt was made to collect it from an agent refer to in 13.5.1.1 but such attempt was unsuccessful or no such agent exists or only a part of the outstanding amount could successfully be recovered.

- 13.5.3. The amount recoverable is limited to the amount as stipulated in the Act and it may only be recovered after written notice has been served on the party concerned (tenant, occupier or agent) of the rates due and payable, but not yet paid by the owner of the property.
- 13.5.4. The notice referred to in 13.5.2 shall give the party concerned at least 14 calendar days to pay the outstanding rates.
- 13.6. Where the rates levied on a particular property have been incorrectly determined, whether because of an error or omission on the part of the municipality or false information provided by the property owner concerned or a contravention of the permitted use to which the property concerned may be put, the rates payable shall be appropriately adjusted for the period extending from the date on which the error or omission is detected back to the date on which rates were first levied in terms of the current valuation roll.
- 13.7. In addition, where the error occurred because of false information provided by the property owner or as a result of a contravention of the permitted use of the property concerned, interest on the unpaid portion of the adjusted rates payable shall be levied at the maximum rate permitted by prevailing legislation.

14. ACCOUNTS TO BE FURNISHED

- 14.1. The municipality will furnish each person liable for the payment of rates with a written account, which will specify:
- (i) the amount due for rates payable;
 - (ii) the date on or before which the amount is payable;
 - (iii) how the amount was calculated;
 - (iv) the market value of the property; and

(v) rebates, exemptions, reductions or phasing-in, if applicable.

14.2. A person liable for payment of rates remains liable for such payment, whether or not such person has received a written account from the municipality. If the person concerned has not received a written account, he/she must make the necessary enquiries with the municipality.

14.3. In the case of joint ownership, the municipality shall consistently, in order to minimise costs and unnecessary administration, recover rates from one of the joint owners only provided that it takes place with the consent of the owners concerned.

15. FREQUENCY OF VALUATION

15.1. The municipality shall prepare a new valuation roll every 5 (four) years, with the option to extend the validity of the valuation roll to 6 (five) years with the approval of the MEC for Local Government and Housing in the province.

15.2. Supplementary valuations will be done on a continual basis to ensure that the valuation roll is properly maintained.

16. COMMUNITY PARTICIPATION

16.1. Before the municipality adopts the rates policy, the municipal manager will follow the process of community participation envisaged in chapter 4 of the Municipal Systems Act and comply with the following requirements:

16.1.1. Conspicuously display the draft rates policy for a period of at least 30 days at the municipality's head and satellite offices and libraries (and on the website).

16.1.2. Advertise in the media a notice stating that the draft rates policy has been prepared for submission to council and that such policy is available at the various municipal offices and on the website for public inspection (property owners and interest persons may obtain a copy of the draft policy from the municipal offices during office hours at a prescribed fee per copy). Property owners and interest

persons are invited to submit written comments or representations to the municipality within the specified period in the notice.

- 16.1.3. Council will consider all comments and/or representations received when considering the finalisation of the rates policy.

17. REGISTERS OF PROPERTIES

17.1. As per Section 23 of the MPRA the municipality must draw up and maintain a register in respect of **all** properties situated within the jurisdiction of the municipality. The register will be divided into Part A and Part B.

17.2. Part A of the register will consist of the current valuation roll of the municipality and will include all supplementary valuations done from time to time.

17.3. Part B of the register will specify which properties on the valuation roll or any supplementary valuation roll are subject to:

- i. Exemption from rates in terms of section 15 of the Property Rates Act,
- ii. Rebate or reduction in terms of section 15,
- iii. Phasing-in of rates in terms of section 21, and
- iv. Exclusions as referred to in section 17.

17.4. The register will be open for inspection by the public at the municipal main offices during office hours or on the website of the municipality.

17.5. The municipality will update Part A and part B will be updated on a continuous basis.

18. BY-LAWS TO GIVE EFFECT TO THE RATES POLICY

18.1. As required by section 6 of the MPRA the **municipality will adopt By-laws** to give effect to the implementation of the Rates Policy and such By-laws may differentiate between

different categories of properties and different categories of owners of properties liable for the payment of rates.

19. REGULAR REVIEW PROCESSES

19.1. The rates policy must be reviewed on an annual basis to ensure that it complies with the Municipality's strategic objectives, legislation and to ensure that it accommodates and take into account the local economic factors within the jurisdiction of the municipality each year before and during the budget process is finalised.

20. GENERAL REQUIREMENTS

20.1. Council pledges to itself to limit each annual increase as far as practicable to the increase in the consumer price index over a period preceding the financial year to which the increase relates and as allowed by the relevant legislation and instruction from National Treasury.

20.2. Handling of errors and omissions:

- a) Where the rate levied on a particular property have been incorrectly determined, whether because of an error or omission on the part of the municipality or false information provided by the property owner concerned or a contravention of the permitted use of the property concerned , the rates payable shall be appropriately adjusted for the period extending from the date on which the error or omission was detected back to the date on which rates were first levied in terms of the current valuation roll. These adjustments to be done taking into account the legislation in regard to the Municipal Property Rates Act.
- b) Where the error occurred because of false information provided by the property owner or as a result of the contravention of the permitted use of the property concerned, clause 20.2(a) will apply and interest on the unpaid portion of the adjusted rates payable shall be levied at the maximum rate permitted by prevailing legislation;
