Good evening!!! Dumelang!!!

It is truly an honour to stand before you this evening as we celebrate a significant milestone in your lives, the Matric Dance Farewell 2025. This event is not only a time for joy and celebration but also a moment of reflection on your journey and the bright futures that lie ahead.

To the Class of 2025, On behalf of the Thabazimbi Local Municipality, I would like to extend my heartfelt congratulations on reaching this important point in your education. Your hard work, perseverance, and commitment have brought you to this night, a night that symbolizes both the end of one chapter and the beginning of many exciting adventures yet to come.

As you gather here tonight, surrounded by friends, family, and educators who have supported you along the way, take a moment to appreciate the journey you have undertaken. Each of you has faced challenges, embraced opportunities, and grown in ways you may not even fully realize yet.

Remember, education is not just about passing exams or attaining degrees; it is about personal growth, forming relationships, and preparing for the roles you will play in our society.

I urge you to embrace the spirit of this evening. Dance as if there are no worries, laugh with your friends, and create memories that will last a lifetime. Cherish these moments, for they are the building blocks of the future you are creating.

As you look toward what comes next, whether that be further studies, careers, or other paths, carry with you the values your education has instilled in you: resilience, respect, and a commitment to make a positive difference in your community. You are the leaders of tomorrow, and the future depends on the choices you make today.

In closing, I want to express my gratitude to the Principal, educators, and members of the School Governing Body for your unwavering support and dedication to the students of Groenvlei Secondary School. Your guidance and mentorship have played an instrumental role in shaping the minds and hearts of these young leaders.

Lastly! As we reflect on the achievements of the past classes, we are proud to share that the Class of 2023 achieved an impressive 95%, while the Class of 2024 maintained a commendable score of 84%. Our hope and wish for the Class

of 2025 is that you will not disappoint us and strive for a target of 90% or higher.

We believe in your potential and wholeheartedly support your journey ahead. Wishing you all the best as you work towards this goal.

Enjoy this evening, dance with all your heart, and step confidently into your futures. Congratulations, Class of 2025.

I thank you.
