Good day!!! Goeiemiddag!!!! Dumelang!!!

I stand before you with a deep sense of honour, privilege and humility, to express, on behalf of my colleagues, Mayors from various Municipalities within our district, and all participants in this session, our profound gratitude to our MEC for Coghsta, Hon. Makamu, for having taken time off your many responsibilities to join us here today, and to share this occasion with us, and indeed, for having inaugurated our Mayors and also launching the District IGR Structure.

Hon. MEC, your speech has laid due emphasis on the importance of Intergovernmental Relations and touched crucial aspects of good governance, and that has laid the foundation that will serve as an inspiration for all of us. We are humbled by the encouraging words from you. We have no doubt that as a District, we will work together and make sure that the IGR Structures stays intact and function well.

Lastly, let me thank all our invited guests for having travelled from near and far to honour us with their presence and not forgetting the organisers of this session.

I will wish you all safe journey back home.

May God bless you all.

I thank you!!! Baie dankie!!! Kea leboga!!!!
