Ladies and Gentlemen,

Good morning!!!! Dumelang!!!!

It is with great pleasure and enthusiasm that I welcome you all to the Thabazimbi Local Municipality's strategic planning session for the year 2024. This gathering marks a pivotal moment in our collective journey towards sustainable development and progress within our municipality.

As we convene here today, we are presented with a unique opportunity to reflect on our past achievements, assess our current challenges, and plan a course for the future. The decisions we make in the coming two days will undoubtedly shape the path of our community for years to come.

I urge each and every one of you to approach this session with a spirit of collaboration, innovation, and determination. Let us leverage our diverse expertise, perspectives, and experiences to devise comprehensive strategies that address the needs and aspirations of all our residents.

In our pursuit of excellence, let us remain steadfast in our commitment to transparency, accountability, and inclusivity. By fostering an environment of open dialogue and constructive debate, we can ensure that the voices of all stakeholders are heard and valued.

Together, let us embrace the challenges that lie ahead with courage and conviction. Let us seize this moment to reaffirm our shared vision for a vibrant, resilient, and prosperous Thabazimbi.

Thank you all for your dedication and unwavering commitment to our municipality. I am confident that, by working together, we will achieve great things for the benefit of our community.

Let us now commence our strategic planning session with renewed energy and optimism. The future of Thabazimbi awaits, and together, we will shape it for the better.

I thank you.
