Ladies and Gentlemen

Good afternoon!!! Dumelang!!!

Programme Director,

It is with great pleasure and gratitude that I welcome you all
today to this important occasion, the official handover of the

Social and Labour Plan projects generously supported by the Northam Zondereinde Platinum Mine.

This partnership signifies not only a commitment to sustainable development but also recognition of the critical role that collaboration plays in enhancing the well-being of our communities; especially our leaders of tomorrow as they will benefit from all these projects.

I would like to also extend a special welcome to our honoured Deputy Minister, Ms Phumzile Mgcina and our MEC Ms Mavhungu Lerule–Ramakhanya. We are honoured to have both of you with us today, and we look forward to your presence and good messages.

Your presence reminds us of the vital role that government plays in nurturing such partnerships and ensuring that our policies translate into meaningful action on the ground.

To Northam Zondereinde Platinum Mine, your investment in our community through the implementation of these SLP projects is commendable.

Let me not get much into details as my principals and leaders are here and they will talk much about this event and ceremony.

Thank you all for joining us. And you all welcomed.

Before I could take my seat Programme Director, let me take this moment to recognize some of the notable distinguished guests who have joined us in this event...
